Dear Guido,

It is my great pleasure to inform you, based on a recommendation from the SEG Executive Committee, that you have been awarded Honorary Fellow status by the SEG Council at its meeting in Beijing, China on September 16, 2017.

The SEG Bylaws (Article III – Membership) state the following:

3.2 Senior and Honorary Status.

(b) "Honorary Fellows. The Council may grant the status of "Honorary Fellow" in the Society to any member or other person who, in the opinion of the Council, has rendered extraordinary service to the Society or to the science and practice of economic geology. Honorary Fellows shall have all of the rights and privileges of Fellows as provided in this Article, and shall be exempt from paying dues or any other membership-related fees."

On behalf of the Society of Economic Geologists, please accept my congratulations on becoming one of only a handful of other recipients bestowed this honor in the Society. Thank you for your loyalty and many years of service to the SEG and the science and practice of economic geology.

Sincerely yours,

Laurence J. Robb
SEG President
